Graffiti Removal

We offer a variety of graffiti abatement and removal options. Graffiti can be removed from glass, metal, concrete, brick (including heritage protected) and a variety of painted surfaces. Our signature removal process has been recognized as an industry *best practice* by the City of Vancouver. We use only eco-friendly products. You are a victim of vandalism. Let us make your graffiti remedy as painless as possible. Ask how you can reserve your Graffiti-free Zone today.

Awning Cleaning

Periodic awning cleaning not only enhances the appearance of your business; it prolongs the life of the awning skin. In fact most awning warranties require quarterly cleaning to remain valid. We will find a maintenance plan that fits your needs to protect your investment and keep up appearances.

All of our cleaning products are bio-degradable and eco-friendly. The right tools and right products insures no damage done to the awning or the earth.

Window Washing

We offer weekly, monthly, and periodic window care plans that will fit your budget and business needs.

Pressure Washing

We'll wash your building, your sidewalk, your patio, our anything else you can think of. We'll beat the other guy's price, guaranteed. In the downtown corridor we travel by foot, reducing noisy trucks and environmental impact.

Customer Specialized Maintenance Bundle

Bundle your services and save. Ask us to propose a custom maintenance package based upon your particular business needs. Our basic maintenance plans can also be expanded to do small-scale landscaping, weed abatement, and some interior services. We are happy to send one of our representatives out to create a plan that is right of you.
